TANNER FRANK

Computer Science Student

PROFILE

Hi, I'm Tanner. As a dedicated and passionate computer science student, I have been deeply immersed in technology from a young age. This lifelong interest has driven me to pursue a career in the IT sector, where I am eager to apply my skills and knowledge. At 20 years old, I bring a fresh perspective and a strong foundation in computer science, demonstrated by my high academic achievements, particularly in IT. I am currently advancing my education with a Bachelor's degree in Computer Science at Varsity College, where I am sharpening my technical abilities and critical thinking skills
